

BEVERAGE *service*

Here at the Peter Allen we have designed a hospitality policy with regard to beverage service that helps to punctuate the flow of the event. Before the ceremony, guests are offered coffee, tea and lemonade/iced tea and infused water. After the ceremony, during appetizers, guests are offered beer and wine. After the Bride and Groom are introduced and toasts are said, we introduce a full bar with spirits. There is a no shot policy at the PAI.

CLOSED BAR

This option eliminates a hosted bar entirely from your event, but guests may still be served toasting champagne or a specific passed signature cocktail. Flat fee of \$2 pp for all guests to cover basic coffee, tea, lemonade/iced tea and infused water service.

CASH BAR

The middle ground between closed and open bars, this choice is the most versatile bar option. A true cash bar means that reception attendees need to pay out of pocket for each alcoholic beverage they order. A popular option for events with a strict budget is for the host to pay for a certain dollar amount of beverages before the bar switches to cash.

BY THE HOUR

This method puts a dollar limit on the open bar. Once that limit has been reached, the bar converts to a cash bar.

BY CONSUMPTION POLICY

For events of 100 guests or less, we offer Standard Cocktail (\$8) House beer (\$3), Craft beer (\$5), House wine (\$4/glass and \$15/open bottle) and soft drinks (\$1).

OPTIONAL:

CHAMPAGNE TOAST
