

TEA *parties* AT THE INN

Tea is a graceful event. It is an elegant experience that harkens back to an earlier era and tradition.

Consider enlisting us to host a Boutique Tea Party for you to celebrate a special birthday, bridal shower or to welcome a new baby. These customized events are sure to please and have your guests leaving feeling like pampered.

More substantial than British High Tea, our Full Tea Service offering includes a menu of seasonal soup and salad, fresh baked scones, savory tea sandwiches and assorted delectable sweets. Of course, our dedicated Tea Hostess will accompany these house-made items with a selection of the finest teas in individual tea pots to create your own blend if you prefer!
